

KLRU-TV and filmmaker Nancy Schiesari invite you to watch the **premier screening** of the documentary

TATTOOED UNDER FIRE

Tattooed Under Fire is a grippingly intimate, character-driven portrait of war-bound and returning soldiers as they go under the tattoo needle - openly professing their patriotism, sharing their secrets and confessing their fears. Each soldier's story is an evocative, poignant and highly personal look at the human and cultural cost of war.
